eGO Academy

How to buy a feature for the website

The application user can buy new feature for the website anytime. Then customize them according to their business needs.

.....

To do so, take the following steps:

1. Click the 'Manage Website' tab;

2. On the left sidebar click on the feature section you want. For example 'Property Search Page';

Click on the section to edit	Edit Property Search Page
Website	Property Search
Homepage	Property Search - 7 Filters
Property Search Page	OTHER FEATURES AVAILABLE FOR THIS AREA
Property List Page Property Details Page	Property Search Form (Advanced)
. Development List Page Development Details Page	Property Search - 11 Filters
- Looking for Property Page - List a Property Page	Property Search - 15 Filters
Contact Page	
Other Features	

3. Click **'Buy**' on the feature you want to purchase. (E.g Property Search Form (Advanced);
