Publish property to a photo gallery on Facebook

The application manager can create a photo gallery of a property or properties on the company's Facebook page.

.....

To do so, take the following steps:

1. Click the 'Properties' tab.

Find	properties			
(Refe	rence, Location, Address	, Nature, Status, Availability, Descrip	otion)	
or adv	anced search			
139 Pro	operties, recently update	d		
Show	Recently updated	-	First

3. A new window will appear on your screen. Here you should choose the images you want to publish on Facebook and then proceed to Facebook authentication;

4. Then allow eGO Real Estate access to the account information of your company's Facebook page;

5. The photo gallery is created and available in the **`Photos**` folder of the company's Facebook page.
