After exporting the contact, on the Site/Portal, the client, when opening the property, will find the contact of the consultant associated with it.

The screenshot displays a real estate website interface. At the top, the Silver Coast Real Estate logo is visible on the left, and navigation links for Properties, Developments, Company, Contacts, Silver Coast, News, and Property evaluation are on the right. A teal header bar contains the text "SALE 214 500 €" and utility icons. The main content area features a large image of a modern bathroom with a circular hot tub. Below this image is a row of four smaller thumbnail images. To the right of the main image is a "Contact Form" with fields for "Type of contact", "Name", "Telephone", "Email", and "Message", along with a "Send" button and a checkbox for terms and conditions. Below the contact form is an "Agent" section for Ana Santos, including her profile picture, name, phone number (975213456), and email link, with "View Properties" and "More details" buttons. At the bottom, there are buttons for "MAKE AN OFFER" and "BOOK PROPERTY".
